CUSTOM PARTS

CONTROLS &
AUTOMATION

■ PAINTS

Fast drying general purpose enamel spray paints provide a smooth, even coat with minimal drip and long-lasting color. Highly durable with great corrosion resistance to heat, rust, oil, gas & chemicals. Suggested Uses: Wood, Metal, Home, Automotive, Industrial, and Construction.

■ CLEANERS

Remove grease, dust, and dirt from metal products with Seymour cleaners. Jenkins carries multiple cleaners that fit the repair market.

■ LUBRICANTS

Whether you are trying to loosen rusted, corroded, or frozen assemblies or cutting metal, we carry lubricants that help make your process easier.
